Department of Government  
Hamilton College  
Clinton, New York

Dear Mr. Richardson:

I would be pleased to brief your students on CIA's mission, including its relationships with other US intelligence agencies and with the National Security Council. I would suggest a two-hour session to allow time for both a presentation and discussion period, but I can adapt my remarks for a shorter period if you wish. As of today, I am available on the mornings of 2, 3, and 5 February and on the afternoon of 5 February. If you would let me know as soon as possible which date you prefer, I will set it aside for you and your students and consider it confirmed.

The briefing will be given here in the Central Building briefing room, which is located at the CIA headquarters at 2430 E Street, N. W., in Washington.

Sincerely,

CIA Briefing Officer
